State University System (SUS)

Admission into Florida's public universities is competitive. Prospective students should complete a rigorous curriculum in high school and apply to more than one university to increase their chance for acceptance. To qualify to enter one of Florida's public universities, a first-time-in-college student must meet the following minimum requirements (credit earned by industry certification does not count for SUS admission):

- High school graduation with a standard diploma
- Admissions test scores (SAT/ACT)
- * 16 credits of approved college preparator academic courses
 - 4 English
 - 4 Math (Algebra 1 level and above)
 - 3 Natural Science
 - 3 Social Science
 - 2 World Language (in the same language)
 - 2 approved electives

The Florida College System

The 28-member Florida College System offers career-related certificates and Associate in Science degrees that prepare students to go directly into the workforce, as well as Associate of Arts degrees that prepare students to transfer to a bachelor's degree program. Many also offer baccalaureate degrees in high-demand fields. The Florida College System has an open-door policy enabling students who have earned a standard high school diploma, high school equivalency diploma or have demonstrated success in postsecondary coursework to be admitted to an associate degree program.

Diploma Designations

Scholar Diploma Designation
