POLICY 36

ATHLETIC RECRUITING

36.1 GENERAL PRINCIPLES

36.1.1 Athletic Recruiting Forbidden. Athletic recruiting is a gross violation of the spirit and philosophy of educational athletics. Athletic recruiting is unethical and unsporting conduct, and is forbidden by FHSAA Bylaws (FHSAA Bylaw 6.3).

36.1.2 Scope of School's Responsibility. A school's responsibility for the conduct of its interscholastic athletic program includes responsibility for:

36.1.2.1 The acts of any employee or athletic department staff member;

36.1.2.2 The acts of third parties, such as an independent person, business or organization, that is a representative of the school's athletic interests when a member of the school's administration or athletic department staff knows or should know that the person, business or organization is promoting the school's interscholastic athletic program; and

36.1.2.3 The acts of any other third parties, such as an independent person, business or organization, acting at the request, direction, or otherwise on behalf of any employee or representative of the school's athletic interests.

36.1.2.4 The acts of any other third parties, such as an independent person, business or organization, acting on behalf of any student athlete.

36.1.2.5 Informing student athletes and their parent(s) or legal guardian(s) of potential eligibility issues related to the participation by the student athlete in non-school athletic activities (e.g. AAU team, club team, travel team, recreation league team, etc.) affiliated with the school through one of its coaches or other athletic department staff members or a representative of the school's athletic interests.

36.1.3 Compliance Programs. Schools are expected to educate all employees, athletic department staff members and representatives of the school's athletic interests about acts that are prohibited by this policy. Schools must immediately report to the FHSAA Office impermissible acts when they are discovered to have occurred.

36.1.4 Academic Recruitment Permissible. A school may conduct an academic recruitment program that is designed to attract students to the school based upon its total educational and extracurricular (athletic and activities) program. A school must not use an academic recruitment program as a disguise for athletic recruiting.

36.1.6 Extra Benefit. Student-athletes must not receive extra benefits, which are benefits that are not offered or generally made available to all other students in the school.

36.2 GENERAL DEFINITIONS

36.2.1 Athletic Recruiting. "Athletic recruiting" is any effort by a school employee, athletic department staff member or representative of a school's athletic interests to pressure, urge or entice a student to attend that school for the purpose of participating in interscholastic athletics.

36.2.1.1 Representative of a School's Athletic Interests. "Representative of a school's athletic interests" refers to any independent person, business or organization that participates in, assists with and/or promotes that school's interscholastic athletic program. This includes:

- (a) A student-athlete or other student participant in the athletic program at that school;
- (b) The parents, guardians or other family members of a student-athlete or other student participant in the athletic program at that school;
- (c) Immediate relatives of a coach or other member of the athletic department staff at that school;
- (d) A volunteer with that school's athletic program;
- (e) A member of an athletic booster organization of that school;
- (f) A person, business or organization that makes financial or in-kind contributions to the athletic department or that is otherwise involved in promoting the school's interscholastic athletic program.

36.2.2 Improper Contact. "Improper contact" is contact, either directly or indirectly, whether in person or through written or electronic communication, by a school employee, athletic department staff member, representative of the school's athletic interests or third parties, such as an independent person, business or organization, with a student or any member of the student's family, in an effort to pressure, urge or entice the student to attend a different school for the purpose of participating in interscholastic athletics. See Policy 37.

36.2.3 Impermissible Benefit. An "impermissible benefit" is any arrangement, assistance or benefit that is not offered or generally made available to all students and/or their families who apply to or attend a school, or that otherwise is prohibited by FHSAA rules. Receipt of a benefit by a student-athlete or his/her family is not a violation of FHSAA rules if it is demonstrated that the same benefit is generally available to the school's students or family members and is not based in any way on athletic interest, potential or performance. See Policy 37.

POLICY 37

IMPROPER CONTACT AND IMPERMISSIBLE BENEFITS

37.3 IMPROPER CONTACT

37.3.1 General Regulation. No school employee, athletic department staff member, representative of the school's athletic interests or third parties, such as an independent person, business or organization, may make contact, either in person or through any form of written or electronic communication or through any third party, with a student, or any member of the student's family, in an effort to pressure, urge or entice the student to attend a different school for the purpose of participating in interscholastic athletics.

37.3.2 Specific Prohibitions. Specifically prohibited contact by school employees, athletic department staff members, representatives of the school's athletic interests or third parties with a student includes, but is not limited to, the following:

37.3.2.1 Sending, or arranging for anyone else to send, any form of written or electronic communication to the student or any member of his/her family, in an attempt to pressure, urge or entice the student to attend a different school to participate in interscholastic athletics.

37.3.2.2 Visiting or entertaining the student or any member of his/her family in an attempt to pressure, urge or entice the student to attend a different school to participate in interscholastic athletics.

37.3.2.3 Making a presentation or distributing any form of advertisement, commercial or material that promotes primarily or exclusively a school's athletic program or implies a school's athletic program is better than the athletic program of any other school or suggests that the student's athletic career would be better served by attending a different school.

37.3.2.4 Answering an inquiry by the student or any member of his/her family about athletic participation opportunities at a school with any response that pressures, urges or entices the student to attend a different school. The student or family member instead should be immediately referred to the school employee responsible for registrations or admissions.

37.3.2.5 Providing transportation to the student or any member of his/her family to visit a school, to take an entrance examination for a school, to participate in an athletic tryout at a school, or to meet with a school employee, athletic department staff member, other representative of the school's athletic interests or third parties, as part of an effort to pressure, urge or facilitate the student's attendance at a different school to participate in interscholastic athletics.

37.3.2.6 Attending an elementary school, a junior high school, a middle school or a non-school athletic contest to identify prospective student-athletes who might be recruited to attend a school.

37.3.2.7 Suggesting or going along with any effort by any person, whether a school employee, other representative of the school's athletic interests or any other person, such as an alumnus of a school, a coach or other person affiliated with a non-school athletic program (e.g. AAU team, club team, travel team, recreation league team, etc.), a coach of or recruiter for a collegiate athletic team, a scout for a professional team or other third parties, to pressure, urge or entice the student to attend a school to participate in interscholastic athletics, or to direct or place the student at the school for the purpose of participating in interscholastic athletics.

37.3.2.8 Making or arranging any other contact with the student or any member of his/her family in an attempt to pressure, urge or entice the student to attend a school to participate in interscholastic athletics.

37.3.3 Contact Initiated by Prospective Student. When a school employee, athletic department staff member or representative of a school's athletic interests is contacted by a student who does not attend that school and/or any other member of his/her family, about the school's interscholastic athletic program or attending the school, the school employee, athletic department staff member or representative of the school's athletic interests must immediately refer the student and/or his/her family member to the appropriate school personnel who have the responsibility of registering and admitting prospective students. Only during the summer period, as defined in Policy 20, and once the student has registered, been accepted and no longer attends the previous school may the student have contact with athletic department staff members or representatives of a school's athletic interests.

37.3.4 Casual Contact with Students in Normal Community Settings. It is not considered a violation of this policy for an employee, athletic department staff member or representative of the athletic interests of a high school to have casual contact with a student who does not attend that school or any member of the student's family in a normal community setting. At no time during such contact, however; may the employee, athletic department staff member or representative of the athletic interests of the high school pressure, urge or entice the student to attend a high school for the purpose of participating in interscholastic athletics.
